13 Colonies Assignment

We have been learning about the exploration of the New World in Social Studies. European countries explored and settled the 13 colonies, now known as the original states of the United States.

Your assignment is to create a flyer advertising your colony. You will create a flyer that will interest others in coming to the colony. These flyers will be included in a gallery walk to teach your peers about this colony.

Here is what must be included on your poster:

- The Name of the Colony.
- What region of the New World your colony is located?
(New England, Middle or Southern colony)
- When was it settled?
- Which European country and/or people settled there and why did they leave their home country?
- What was the main economy of your colony? (How did they make money?)
- An outline map showing your colony.
- Include 2 pictures or drawings relevant to your colony.
- Include the Geographical, Social and Political structure of the colony.
- Grade will be determined by rubric on the back.
